

**ASX MARKET PARTICIPANTS**

The table below lists all ASX Market Participants that are not also ASX Clear Participants. The purpose of this table is to assist ASX Clear Participants that have an exposure to any of these entities which requires the calculation of a counterparty risk amount under ASX Clear Rule S1. The table will enable such ASX Clear Participants to identify whether or not they can apply a 20% counterparty risk weighting (CRW) on their exposures to these counterparties.
