^[1] An existing market convention states that transactions should be matched before 4 pm on S-1. Unmatched transactions after this time may be matched up until 10.30 am on S without prior agreement with the counterparty. Any transactions remaining should only be matched in the last hour with agreement with the counterparty.

[†] The CHES Subregister will close at 7.00pm.

CHES Charges

The CHES tariffs for processing individual transactions will not apply to Participants in the processing of BNEXX where the Transaction Basis "I" (IPO) is used in CHES messages.

Participants should be aware that transactions do not receive the benefit of central counterparty backing. Therefore, if there were a default the non-defaulting party would not be able to look to ASX Clear for completion of the transaction.
