Timetables

Note: The days indicated in the “+Business day” column reflect completion of the event in the minimum (or maximum) time limit specified for that event. For the avoidance of doubt, references in these timetables to securities that are “intended to be quoted on ASX” includes securities in a class of securities that is already quoted on ASX, where the entity is consequently obliged under Listing Rule 2.4 to apply for their quotation.

1. Dividends or distributions

- 1.1 Unless otherwise agreed by ASX, an entity must follow the time limits set out in this timetable when paying a dividend or distribution on quoted +securities. The timetable does not apply to interest payments on quoted +debt securities or quoted +convertible debt securities.

If it does so, it must notify ASX immediately the final amount of the dividend or distribution is determined using the ‘update’ function in the Appendix 3A.1 (see Listing Rule 3.21(c)).</p> <p>Cross reference: Appendices 4D and 4E. Note: This requirement only applies to an issue of new securities to satisfy an entitlement under a dividend or distribution plan. It does not apply to a purchase and transfer of existing securities to satisfy such an entitlement. ASX would encourage listed entities that purchase and transfer existing securities to satisfy entitlements under a dividend or distribution plan to do so as quickly as they reasonably can and target completing the transfers within 5 business days after the due date for payment of the dividend or distribution.
