Explanatory note

This chapter sets out the continuous disclosure requirements that an entity must satisfy. Information for release to the market must be given to ASX's ⁺market announcements office.

Entities should note chapter 4, which deals with periodic disclosure, and chapter 5, which deals with additional reporting requirements for ⁺mining entities, ⁺oil and gas entities and other entities reporting on mining and oil and gas activities. Chapter 15 sets out where the draft and final documents must be lodged.

For further guidance on continuous disclosure, see Guidance Note 8 *Continuous Disclosure: Listing Rules 3.1 – 3.1B*.

Amended 01/05/13, 01/12/13, 01/12/19

Immediate notice of material information

General rule

- 3.1 Once an entity is or becomes ⁺aware of any ⁺information concerning it that a reasonable person would expect to have a material effect on the price or value of the entity's ⁺securities, the entity must immediately tell ASX that information.

Introduced 01/07/96 Origin: Listing Rule 3A(1) Amended 01/07/00, 01/01/03, 01/05/13

Note: Section 677 of the Corporations Act defines material effect on price or value. As at 1 May 2013 it said for the purpose of sections 674 and 675 a reasonable person would be taken to expect information to have a material effect on the price or value of securities if the information would, or would be likely to, influence persons who commonly invest in securities in deciding whether or not to subscribe for, or buy or sell, the first mentioned securities.

"Information" may include information necessary to prevent or correct a false market, see Listing Rule 3.1B. It may also include matters of supposition and other matters that are insufficiently definite to warrant disclosure to the market, and matters relating to the intentions, or likely intentions, of a person (see Listing Rule 19.12).

A confidentiality agreement cannot prevent an entity from complying with its obligations under the Listing Rules and, in particular, its obligation to give ASX information for release to the market where required by the Listing Rules.

Examples: The following are non-exhaustive examples of the type of information that, depending on the circumstances, could require disclosure by an entity under this rule:

- a transaction that will lead to a significant change in the nature or scale of the entity's activities (see also Listing Rule 11.1 and Guidance Note 12 *Significant Changes to Activities*);
- a material mineral or hydro-carbon discovery;
- a material acquisition or disposal;

- the granting or withdrawal of a material licence;
- the entry into, variation or termination of a material agreement;
- becoming a plaintiff or defendant in a material law suit;
- the fact that the entity's earnings will be materially different from market expectations;
- the appointment of a liquidator, administrator or receiver;
- the commission of an event of default under, or other event entitling a financier to terminate, a material financing facility;
- under subscriptions or over subscriptions to an issue of securities (a proposed issue of securities is separately notifiable to ASX under Listing Rule 3.10.3);
- giving or receiving a notice of intention to make a takeover; and
- any rating applied by a rating agency to an entity or its securities and any change to such a rating.

Exception to rule 3.1

3.1A Listing Rule 3.1 does not apply to particular *information while each of the following is satisfied in relation to the information:

3.1A.1 One or more of the following 5 situations applies:

- It would be a breach of a law to disclose the information;
- The information concerns an incomplete proposal or negotiation;
- The information comprises matters of supposition or is insufficiently definite to warrant disclosure;
- The information is generated for the internal management purposes of the entity; or
- The information is a trade secret; and

3.1A.2 The information is confidential and ASX has not formed the view that the information has ceased to be confidential; and

3.1A.3 A reasonable person would not expect the information to be disclosed.

False market

3.1B If ASX considers that there is or is likely to be a false market in an entity's *securities and asks the entity to give it *information to correct or prevent a false market, the entity must immediately give ASX that information.

Introduced 01/01/03 Amended 01/05/13

Note: The obligation to give information under this rule arises even if the exception under Listing Rule 3.1A applies.

Capital

- 3.10 An entity must tell ASX the following information. It must do so immediately unless otherwise specified.

- 3.10.1 Details of a reorganisation to be made to its capital (in the case of a trust, interests). The notification to ASX must be in the form of or accompanied by:

- (a) if the reorganisation involves a split or consolidation of *securities, an Appendix 3A.3;
- (b) if the reorganisation involves a cash return of capital, an Appendix 3A.4; or
- (c) if the reorganisation involves a return of capital by way of an in specie distribution of *securities in another entity, an Appendix 3A.5.

- 3.10.3 Details of a proposed issue of:

- (a) *equity securities (other than an issue to be made under a *dividend or distribution plan or an *employee incentive scheme or as a consequence of the conversion of any *convertible securities); or
- (b) *debt securities in a *class of *securities that is already quoted, or that is intended to be quoted, on ASX.

The notification to ASX must be in the form of, or accompanied by, an Appendix 3B.

The entity must also immediately tell ASX if there is a material error in, or a material change to, any of the information it has given to ASX about a proposed issue of *securities.

Introduced 01/07/96 Origin: Listing Rules 3E(5)(a)(i), 3E(5)(a)(iii), 3E(5)(a)(v), 3E(5)(b), 3T(1)(a), Appendix 5 Amended 01/07/00, 14/04/14, 01/12/19, 05/06/21

Note: Convertible debt securities are equity securities for these purposes (see the definition of "equity security" in rule 19.12).

Rule 3.10.3 requires an entity to notify ASX of certain *proposed* issues of securities. When and if the securities in question are issued, the entity will need to separately notify ASX of their *actual* issue, either under rule 3.10.3C or in accordance with any applicable timetable for the issue in Appendix 6A or 7A. This notification will generally take the form of an Appendix 2A, if the securities are intended to be quoted on ASX, or an Appendix 3G, if the securities are not intended to be quoted on ASX.

Rule 3.10.3 applies to all proposed issues of equity securities apart from a proposed issue of equity securities to be made under a dividend or distribution plan or an employee incentive scheme or as a consequence of the conversion of any convertible securities. In most cases, a proposed issue of equity securities under a dividend or distribution plan is notified to ASX under rule 3.21 via an Appendix 3A.1, while the actual issue is notified to ASX via an Appendix 2A or 3G (see rule 6.24 and section 1 of Appendix 6A). An issue of equity securities under an employee incentive scheme is notified to ASX under rule 3.10.3A via an Appendix 2A or 3G. An issue of equity securities as a consequence of the conversion of any convertible securities is notified to ASX under rule 3.10.3B via an Appendix 2A or 3G.

Rule 3.10.3 only applies to a proposed issue of debt securities if they are in a class of debt securities that is already quoted, or that is intended to be quoted, on ASX. However, information about an issue of debt securities in a class that is not already quoted or intended to be quoted on ASX may be separately notifiable

to ASX under rule 3.1 if a reasonable person would expect information about the issue to have a material effect on the price or value of the entity's securities.

If any of the securities are proposed to be issued to a person referred to in rule 10.11, the issue may require approval under that rule. If the securities are issued to a director or a director will otherwise have a notifiable interest in them, the entity will also need to lodge an Appendix 3Y in relation to those securities under rule 3.19A.2.

If there is a material error in, or material change to, the information about a proposed issue of securities notified to ASX in an Appendix 3B (including, but not limited to, a change to a date referred to in a timetable for the proposed issue of securities set out in Appendix 7A), the entity must immediately notify ASX using the 'update' function in the Appendix 3B.

If a proposed issue of securities is cancelled or otherwise does not proceed, the entity must immediately notify ASX using the 'cancel' function in the Appendix 3B.

Guidance Note 30 *Notifying Changes in Issued Securities and Applying for Quotation of New or Additional Securities* has further guidance on the operation of rule 3.10.3.

3.10.3A Details of an issue of *equity securities under an *employee incentive scheme:

- (a) to *key management personnel or an *associate, within 5 *business days of the issue; or
- (b) to someone who is not *key management personnel or an *associate, within 10 *business days of the end of the quarter in which they were issued.

If the securities are intended to be immediately quoted on ASX, the notification must be in the form of, or accompanied by, an Appendix 2A. The Appendix 2A must be received by ASX no later than midday (Sydney time) at least one *business day prior to the intended date for quotation of the *securities.

Otherwise, the notification must be in the form of, or accompanied by, an Appendix 3G.

Introduced 01/12/19 Amended 05/06/21

Note: The grant of options or conditional rights to equity securities under an employee incentive scheme is an issue of equity securities for the purposes of rule 3.10.3A and must be notified to ASX under this rule. This applies even where the securities to be acquired on the exercise of the options or pursuant to the terms of the rights are required by the terms of the scheme to be purchased on-market and transferred to the holder of the option or right.

Under rules 2.4 and 2.8.6, securities issued under an employee incentive scheme in a class of securities that is already quoted, or that is intended to be quoted, on ASX and that are subject to restrictions on transfer can either be immediately quoted on ASX (in which case notification of their issue under this rule should be in the form of, or accompanied by, an Appendix 2A) or their quotation may be deferred until the restrictions on transfer cease to apply (in which case notification of their issue under this rule should be in the form of, or accompanied by, an Appendix 3G).

The reference in this rule to securities that are "intended to be immediately quoted on ASX" includes securities which are in a class of securities that is already quoted on ASX and which are not subject to restrictions on transfer, where the entity is consequently obliged under rules 2.4 and 2.8.6 to apply for their quotation within the specified period of their issue. It also includes securities which are subject to restrictions on transfer where the entity elects to apply for quotation of the securities within the specified period of their issue rather than wait until the restrictions on transfer have ceased to apply.

Where convertible securities (such as options or conditional rights to equity securities) are issued under an employee incentive scheme and they are subsequently converted into the underlying securities, that conversion should be notified to ASX under rule 3.10.3B rather than under rule 3.10.3A. This applies even where the conversion occurs via a new issue of the underlying securities. The issue of the underlying securities in these circumstances is not regarded as an issue of equity securities *under the employee incentive scheme* for the purposes of rule 3.10.3A but rather as an issue of equity securities under the terms of the convertible security.

Where options or conditional rights to equity securities are issued under an employee incentive scheme to a director or a director will otherwise have a notifiable interest in them, the entity will need to lodge an Appendix 3Y in relation to those options or rights under rule 3.19A.2 and their issue may require approval under rule 10.11 or 10.14. The lodgement of a further Appendix 3Y will also be required under rule 3.19A.2 if and when the options are exercised or the rights are satisfied, whether that be by the issue of new securities or the acquisition and transfer of existing securities.

Guidance Note 30 *Notifying Changes in Issued Securities and Applying for Quotation of New or Additional Securities* has further guidance on the operation of rule 3.10.3A.

3.10.3B Details of the conversion of any +convertible securities:

- (a) if the +convertible securities are quoted and are being converted on their conversion date or expiry date, in accordance with the timetable in section 5 of Appendix 6A;
- (b) if the +convertible securities are quoted and are being converted prior to their conversion date or expiry date, within 5 +business days of their conversion;
- (c) if the +convertible securities are not quoted and were issued under an +employee incentive scheme:
 - (i) to +key management personnel or an +associate, within 5 +business days of their conversion;
 - (ii) to someone who is not +key management personnel or an +associate, within 10 +business days of the end of the quarter in which the conversion occurred; and
- (d) if the +convertible securities are not quoted and rule 3.10.3B(c) does not apply, within 5 +business days of their conversion.

If the underlying securities are intended to be quoted on ASX, the notification must be in the form of, or accompanied by, an Appendix 2A. The Appendix 2A must be received by ASX no later than midday (Sydney time) at least one +business day prior to the intended date for quotation of the +securities.

Otherwise, the notification must be in the form of, or accompanied by, an Appendix 3G.

Introduced 01/12/19 Amended 05/06/21

Note: An exercise of options and the issue or transfer of securities as a consequence of the conditions to a conditional right to equity securities being satisfied are both conversions of convertible securities for the purposes of this rule.

For the purposes of this rule, a conversion of convertible securities into the underlying securities is regarded as occurring:

- if the conversion involves a reclassification of the convertible securities as the underlying securities, when the reclassification takes effect;
- if the conversion involves an issue of new underlying securities, when the issue is made; or
- if the conversion involves a transfer of existing underlying securities, when the transfer is made.

Where convertible securities are converted into the underlying securities via the transfer of existing quoted securities, the notification of their conversion should be given in the form of, or accompanied by, an Appendix 3G (in this case, as the underlying securities are already quoted on ASX, it would be inappropriate to lodge an Appendix 2A applying for their quotation).

As mentioned in the note to rule 3.10.3A above, where convertible securities (such as options or conditional rights to equity securities) are issued under an employee incentive scheme and they are subsequently converted into the underlying securities, that conversion should be notified to ASX under rule 3.10.3B rather than under rule 3.10.3A. This applies even where the conversion occurs via a new issue of the underlying securities. The issue of the underlying securities in these circumstances is not regarded as an issue of equity securities *under the employee incentive scheme* for the purposes of rule 3.10.3A but rather as an issue of equity securities under the terms of the convertible security.

Where convertible securities are held by a director or a director otherwise has a notifiable interest in them, the entity will also need to lodge an Appendix 3Y in relation to the conversion of those securities under rule 3.19A.2. This applies regardless of how the conversion occurs.

The reference in this rule to underlying securities that are "intended to be quoted on ASX" includes underlying securities in a class of securities that is already quoted on ASX, where the entity is consequently obliged under rule 2.4 to apply for their quotation.

Guidance Note 30 *Notifying Changes in Issued Securities and Applying for Quotation of New or Additional Securities* has further guidance on the operation of rule 3.10.3B.

3.10.3C Details of the issue of:

- (a) any +equity securities not otherwise notifiable to ASX under rules 3.10.3A or 3.10.3B or the timetables in Appendix 6A or 7A; or
- (b) any +debt securities that are intended to be quoted on ASX,

within 5 +business days of the issue. If the +securities are intended to be quoted, the notification must be in the form of, or accompanied by, an Appendix 2A. The Appendix 2A must be received by ASX no later than midday (Sydney time) at least one +business day prior to the intended date for quotation of the +securities.

Otherwise, the notification must be in the form of, or accompanied by, an Appendix 3G.

Introduced 05/06/21

Note: Rules 3.10.3A and 3.10.3B and the timetables in Appendix 6A and Appendix 7A have notification requirements for various different issues of equity securities. Rule 3.10.3C is a “catch-all” to ensure that other issues of equity securities, and issues of debt securities that are intended to be quoted on ASX, are also notified to ASX.

The reference in this rule to debt securities that are “intended to be quoted on ASX” includes debt securities in a class of securities that is already quoted on ASX, where the entity is consequently obliged under rule 2.4 to apply for their quotation.

Guidance Note 30 *Notifying Changes in Issued Securities and Applying for Quotation of New or Additional Securities* has further guidance on the operation of rule 3.10.3C.

3.10.3D Details of a call, instalment or other amount paid up on any partly paid +equity securities:

- (a) in the case of a call or instalment on quoted partly paid +equity securities, in accordance with the timetable in section 3 or 4 of Appendix 6A (as applicable);
- (b) in the case of an amount paid up on quoted partly paid +equity securities other than by way of a call or instalment, within 5 +business days of the payment;
- (c) in the case of a call or instalment on unquoted partly paid +equity securities, within 5 +business days of the last date for the payment of the call or instalment; or
- (d) in the case of an amount paid up on unquoted partly paid +equity securities other than by way of a call or instalment, within 5 +business days of the payment.

In the case of (a), (b) and (d) above, the notification must be in such form as ASX may require.

In the case of (c) above, if the payment of the call, instalment or other amount results in the +securities becoming fully paid +securities that are intended to be quoted on ASX, the notification must be in the form of, or accompanied by, an Appendix 2A. The Appendix 2A must be received by ASX no later than midday (Sydney time) at least one +business day prior to the intended date for quotation of the fully paid +securities. Otherwise, the notification must be in the form of, or accompanied by, an Appendix 3G.

Introduced 01/12/19 Amended 05/06/21

The reference in this rule to fully paid securities that are “intended to be quoted on ASX” includes fully paid securities in a class of securities that is already quoted on ASX, where the entity is consequently obliged under rule 2.4 to apply for their quotation.

An example of an amount paid up on partly paid equity securities other than by way of a call or instalment for the purposes of rules 3.10.3D(b) or (d) would be an amount voluntarily paid up by the holder of the partly paid equity securities.

Guidance Note 30 *Notifying Changes in Issued Securities and Applying for Quotation of New or Additional Securities* has further guidance on the operation of rule 3.10.3D.

3.10.3E Details of the cessation of:

- (a) any securities issued under an +employee incentive scheme:
 - (i) to +key management personnel or an +associate, within 5 +business days of their cessation;
 - (ii) to someone who is not +key management personnel or an +associate, within 10 +business days of the end of the quarter in which the cessation occurred;

- (b) any other +equity securities not otherwise notifiable to ASX under rule 3.8A, within 5 +business days of their cessation; or
- (c) any quoted +debt securities, within 5 +business days of their cessation.

The notification must be in the form of, or accompanied by, an Appendix 3H.

Introduced 05/06/21

Note: For the purposes of this rule, the “cessation” of a security includes:

- the expiry of an option or other convertible security without it being exercised or converted;
- the lapse of a conditional right to equity securities because the conditions have not been, or have become incapable of being, satisfied;
- the cancellation of a security pursuant to a minimum holding buy-back, employee share scheme buy-back, on-market buy back, equal access scheme buy-back, selective buy-back or other form of buy-back
- the cancellation of a security pursuant to a reduction of capital, scheme of arrangement or other reconstruction;
- the cancellation of a security by agreement between the entity and the holder;
- the repayment or redemption of a debt security or convertible debt security;
- the redemption of redeemable preference securities;
- the redemption of units in a trust; and
- the cancellation of partly paid securities upon a call or instalment not being paid.

The conversion of a convertible security (which is notifiable to ASX under rule 3.10.3B) is not regarded as the “cessation” of the convertible security for the purposes of this rule. Likewise, the payment up of a partly paid security resulting in it becoming a fully paid security (which is notifiable to ASX under rule 3.10.3D) is not regarded as the “cessation” of the partly paid security for the purposes of this rule.

The cancellation of securities pursuant to a buy-back is required to be notified to ASX via the lodgement of an Appendix 3H within the time frame specified in rule 3.8A and is therefore excluded from rule 3.10.3E(b).

Guidance Note 30 *Notifying Changes in Issued Securities and Applying for Quotation of New or Additional Securities* has further guidance on the operation of rule 3.10.3E.

- 3.10.4 The lodging of any +disclosure document or +PDS with +ASIC or an equivalent overseas regulator or the issuing of any +information memorandum. A copy of any +disclosure document or +PDS must be given to ASX immediately after it is lodged with +ASIC or the overseas regulator. A copy of the +information memorandum must be given to ASX before it is issued to prospective investors.

- (b) a distribution schedule for those +securities setting out the number of recipients in the following categories and the total percentage of those +securities held by the recipients in each category:
 - 1 - 1,000
 - 1,001 - 5,000

Note: An entity will normally provide this information in or with its Appendix 2A seeking quotation of the new class of equity securities. If the information is not available at the time the entity lodges its Appendix 2A, it will need to give it separately to ASX as soon as it becomes available.

Introduced 01/07/96 Origin: Listing Rule 3A(14)(a) Amended 01/07/97

Note: When an entity tells ASX of a change under Listing Rule 3.16, the position of the new person should be given with the name.

3.16.4 If the entity is not an *externally managed trust, the material terms of any employment, service or consultancy agreement it or a *child entity enters into with:

- its *CEO;
- any of its directors; or
- any other person or entity who is a *related party of its *CEO or any of its directors,

Documents sent to or received from security holders

3.17 An entity must immediately give ASX:

3.17.1 A copy of a document it sends to holders of +securities generally or in a +class.

Introduced 01/07/96 Origin: Listing Rules 3E(8)(b), 3E(8)(c), 3J(1)(a) Amended 01/05/13

Example: A company must give ASX a copy of a letter sent to shareholders. A trust must give ASX a copy of a document sent to holders of interests in the trust under section 1017D of the Corporations Act so far as that document relates to the circumstances of holders of interests generally, and not to the individual circumstances of a holder.

Note: In some cases, an entity must give ASX a draft document (eg, a notice of meeting) in advance of it being sent out to holders of securities. See chapter 15.

Note: Where an entity sends a letter or other communication to holders of securities generally or in a class that encloses or attaches another document that has already be given to ASX (eg, a letter to security holders enclosing an annual report that the entity has already given to ASX under Listing Rule 4.7), it is sufficient compliance with this rule that it give to ASX a copy of the letter or other communication and that it state in a covering letter to ASX that the document attached to the letter or other communication has already been given to ASX and the state the date on which it was so given.

Cross reference: Chapter 14 deals with the requirements for meetings. Chapter 4 deals with accounts and related disclosure.

3.17.2 If the entity is an +Australian entity, a copy of a document it receives about a substantial holding of +securities under Part 6C.2 of the Corporations Act that reveals materially different information to the most current information (if any) it has received about that substantial holding under Part 6C.1 of the Corporations Act.

Introduced 01/05/13 Amended 19/12/16

Information that:

- a substantial holding differs (upwards or downwards) from a previously disclosed substantial holding by less than 1%; or
- the list of related entities that have a substantial holding has changed because of the creation, acquisition, dissolution or disposal of related entities,

is not considered materially different for the purposes of this rule.

3.17.3 If the entity is a +foreign entity, a copy of a document it receives about a substantial holding of +securities under any overseas law or provisions in the entity’s constitution equivalent to Part 6C.1 of the Corporations Act.

Introduced 01/05/13 Amended 14/04/14, 19/12/16

Note: Where an entity is established in Australia, a person who gives a substantial holding notice to the entity under Part 6C.1 of the Corporations Act is required to give a copy of that notice to ASX (section 671B(1)) and therefore it is not necessary for the entity to give a copy of that notice to ASX.

3.17.4 If the entity is a +foreign entity, a copy of a document it receives about a substantial holding of +securities under any overseas law or provisions in the entity’s constitution equivalent to Part 6C.2 of the Corporations Act that reveals materially different information to the most current information it has received (if any) about that substantial holding under the overseas law or provisions in the entity’s constitution referred to in rule 3.17.3.

Introduced 01/05/13 Amended 19/12/16

Again, information that:

- a substantial holding differs (upwards or downwards) from a previously disclosed substantial holding by less than 1%; or
- the list of related entities that have a substantial holding has changed because of the creation, acquisition, dissolution or disposal of related entities,

is not considered materially different for the purposes of this rule.

Requisitions from security holders

3.17A An entity must give ASX within two business days of receipt:

3.17A.1 Information about the material terms of any notice it receives under section 249D, 249F, 249N, 252B, 252D or 252L of the Corporations Act or under any equivalent overseas law or equivalent provisions in the entity's constitution from a holder or holders of *securities calling, or requesting the calling of, or proposing to move a resolution at, a general meeting; and

Introduced 01/05/13

Note: The entity may satisfy this obligation by giving a copy of the notice to ASX or an announcement summarising its material terms. If the entity gives a copy of the notice, it may redact any defamatory material that it would not otherwise be required to circulate to security holders under the Corporations Act or any equivalent overseas law or equivalent provisions in its constitution. If the entity gives an announcement summarising the material terms of the notice, it may exclude from the summary any such defamatory material.

An entity is not required to give information to ASX about such a notice if the notice is withdrawn by the relevant holder or holders of securities within two business days of it having been received by the entity.

It should be noted that if a reasonable person would expect information about such a notice to have a material effect on the price or value of the entity's securities, the information must be given to ASX immediately under Listing Rule 3.1 and not within two business days of receipt.

3.17A.2 Information that a notice previously notified to ASX under rule 3.17A.1 has been withdrawn by the holder or holders who gave it.

Introduced 01/05/13

Financial documents given to an overseas stock exchange

3.17B If an entity admitted to the *official list is also listed on an overseas stock exchange, it must immediately give ASX a copy of any document it gives to the overseas stock exchange that meets the following requirements:

3.17B.1 the document is given to the overseas stock exchange by the entity in its capacity as an entity listed on that exchange; and

Introduced 01/05/13

3.17B.2 the document is, or will be, made public by the overseas stock exchange; and

Introduced 01/05/13

3.17B.3 the document includes *accounts or other similar financial information; and

Introduced 01/05/13

3.17B.4 the document is not materially the same as another document that the entity has already given to ASX.

Introduced 01/05/13

Note: If the document is not in English, it must be accompanied by an English translation (see Listing Rule 15.2A).

A document that does not include accounts or other similar financial information given by an entity listed on an overseas exchange to that exchange may also need to be given to ASX under Listing Rule 3.1 if a reasonable person would expect the information it contains to have a material effect on the price or value of the entity's securities.

For the avoidance of doubt, where two entities form part of a dual-listed entity structure (ie where one entity is listed and has its home exchange on ASX and the other is listed and has its home exchange on an overseas stock exchange), this rule only applies to the entity listed on ASX and then only if the entity listed on ASX is also listed on an overseas stock exchange. It does not require documents that the other entity may give to its overseas home stock exchange or to any other overseas stock exchange where it may be listed to be given to ASX.

Laws affecting the rights or obligations of security holders in *foreign entities

3.17C If a *foreign entity becomes aware of a change to the laws applicable in the jurisdiction where it is established that materially affects the rights or obligations of security holders, it must immediately give ASX details of that change.

Introduced 01/05/13 Amended 19/12/16

ASX Guidance Note 4 *Foreign Entities Listing on ASX* has guidance on the types of changes to law that may need to be disclosed under this rule.

3.18 If ASX asks, an entity with loans included in its assets must tell ASX the following information.

- The amount of each loan.
- The identity of the borrower, and any direct or indirect interest which a director of the entity (or, in the case of a trust, any direct or indirect interest which the *responsible entity, or a director of the *responsible entity, of the trust) has in the borrower.
- The security held.
- The interest rate.
- The maturity date.
- Any other information in relation to the loan that ASX asks for.

Ownership limits

3.19 If an entity's constitution with ASX's agreement, or a law (except the Corporations Act or the Foreign Acquisitions and Takeovers Act), restricts the ownership or control of *securities or control of votes to a specified percentage, and the entity becomes *aware that the percentage held by a class of *persons restricted to owning or controlling that percentage has come within 5 percentage points of the restriction, or equals or exceeds it, the following rules apply.

3.19.1 If the entity becomes *aware of any changes of more than 1 percentage point in the capital (in the case of a trust, interests) or votes held by *persons in the class the entity must immediately tell ASX of the change. It must do so for each change it becomes *aware of until rule 3.19.3 applies.

3.19.2 Each time the entity tells ASX of any change, it must state what action it will take to divest the *securities, or to remove or change the voting or other rights attaching to them, if it receives a transfer document for *securities whose transfer would result in the restriction being exceeded.

3.19.3 If the entity becomes *aware that the percentage of capital (interests) or votes held by the class of *persons referred to in rule 3.19.1 has ceased to be within 5 percentage points of the restriction, or to equal or exceed it, the entity must immediately tell ASX.

Introduced 01/07/96 Origin: Listing Rule 3A(18C) Amended 30/09/01, 11/03/02

Example: A law requires a company to restrict ownership to a class of persons to no more than 40% of its total ordinary capital. If the entity becomes aware that ownership of its ordinary capital has reached 35% of its total ordinary capital it must tell ASX under this rule. It must tell ASX under Listing Rule 3.19.1 if it becomes aware of changes that reach 36%, 37% of its total ordinary capital etc. It must tell ASX under Listing Rule 3.19.3 if it becomes aware of changes that take the level of restricted ownership below 35%.

The entity must complete Appendix 3X and give it to ASX no more than 5 business days after the entity's admission or a director's appointment.

Introduced 30/09/01 Amended 24/10/05

Note: An entity is not required to give information to ASX under this rule that, notwithstanding that it has complied with Listing Rule 3.19B, it does not have.

Cross reference: Guidance Note 22 *Disclosure of Directors' Interests*.

3.19A.2 A change to a +notifiable interest of a director of the entity (or in the case of a trust, a director of the +responsible entity of the trust) including whether the change occurred during a +closed period where prior written clearance was required and, if so, whether prior written clearance was provided. The entity must complete Appendix 3Y and give it to ASX no more than 5 business days after the change occurs.

Introduced 30/09/01 Amended 01/01/11, 01/12/19

Note: An entity is not required to give information to ASX under this rule that a director has not given to it under the arrangements mentioned in Listing Rule 3.19B and of which it is otherwise not aware. In such a case, the director is personally obliged to give that information to ASX and may breach section 205G of the Corporations Act if they fail to do so.

If a director has no interests at the time when the entity is required to complete an Appendix 3X under Listing Rule 3.19A.1, the entity must lodge an Appendix 3Y when the director first acquires an interest.

Cross reference: Guidance Note 22 *Disclosure of Directors' Interests*.

Examples: The event giving rise to the requirement to give ASX an Appendix 3Y is an on market purchase or sale of shares on the ASX market or Chi-X market. The entity has five business days after the date the relevant trade was executed on-market (T) and not when that trade settles (T+2) to give ASX the Appendix.

The event giving rise to the requirement to give ASX an Appendix 3Y is the exercise of options. The entity has five business days after the date the options were exercised to give ASX the Appendix.

Cross reference: Guidance Note 22 *Disclosure of Directors' Interests*.

3.19B An entity must make such arrangements as are necessary with a director of the entity (or in the case of a trust, a director of the +responsible entity of the trust) to ensure that the director discloses to the entity all the information required by the entity to give ASX completed Appendices 3X, 3Y and 3Z within the time period allowed by Listing Rule 3.19.A. The entity must enforce the arrangements with the director.

Introduced 30/09/01

Amended 01/12/19

Note: An entity is required to tell ASX of a proposed record date under this rule when the record date is reasonably certain. ASX would not require notification where an entity has determined a time period in which a record date may occur for internal management purposes.

- 3.20.2 In addition to its obligation under rule 3.20.1, an entity must give ASX not less than four *business days' notice of a proposed record date or any change to a proposed *record date for a *corporate action.

Introduced 14/04/14 Amended 01/12/19

Note: A notification under this rule must include details of the issue of equity securities. ASX will not release this information publicly.

ASX may require an entity to request a trading halt earlier than the date notified under this rule if ASX considers that it is necessary for the entity to manage its continuous disclosure obligations.

Expiry dates for exchange traded options are published on www.asx.com.au and are subject to change.

A fee will apply where an entity fails to provide the required period of notice in accordance with Listing Rule 3.20.3.

Dividends or distributions

- 3.21 An entity must:

- (a) notify ASX immediately if it makes a decision:
 - (i) to pay a dividend or distribution on a quoted *security;
 - (ii) not to pay a dividend or distribution on a quoted *security in respect of a period if it has previously announced an intention to pay a dividend or distribution for that period or paid a dividend or distribution in respect of the prior corresponding period; or
 - (iii) to cancel, defer or reduce a dividend or distribution on a quoted *security that it has previously announced it will pay;

- (b) provide a completed Appendix 3A.1 to ASX not less than 4 *business days before the intended *record date to identify security holders entitled to a dividend or distribution on a quoted *security; and
- (c) if it has notified an estimated dividend or distribution amount to ASX in an Appendix 3A.1, notify ASX immediately the final dividend or distribution amount has been determined.

An announcement under rule 3.21(a)(iii) must include an explanation satisfactory to ASX of the entity's reasons for cancelling, deferring or reducing the dividend or distribution.

Introduced 01/05/13 Amended 01/12/19, 05/06/21

Note: The decision to pay a dividend or distribution on a quoted security is notified to ASX via an Appendix 3A.1.

If the dividend or distribution is subsequently cancelled, the cancellation must be notified to ASX under rule 3.21(a)(iii) using the 'cancel' function in the Appendix 3A.1. The required explanation of the entity's reasons for cancelling the dividend or distribution must be included in the 'Reason for cancellation' field in the Appendix 3A.1 or in a separate announcement to the market.

If payment of the dividend or distribution is subsequently deferred or the amount of the dividend or distribution is subsequently reduced, that should be notified to ASX under rule 3.21(a)(iii) using the 'update' function in the Appendix 3A.1. The required explanation of the entity's reasons for deferring or reducing the dividend or distribution must be included in the 'Reason for update' field in the Appendix 3A.1 or in a separate announcement to the market.

If an entity notifies ASX of the estimated amount of a dividend or distribution in an Appendix 3A.1, it must notify ASX of the final amount of the dividend or distribution under rule 3.21(c). If the entity decides not to proceed with the estimated dividend or distribution (ie the final amount of the dividend or distribution is nil), that should be notified using the 'cancel' function in the Appendix 3A.1. Otherwise, any differences between the estimated dividend or distribution and the final dividend or distribution (including any changes to the payment date) should be notified using the 'update' function in the Appendix 3A.1.

To be clear, rule 3.21(a)(iii) and the requirement for a notice under that rule to include an explanation satisfactory to ASX of the entity's reasons for cancelling, deferring or reducing a previously announced dividend or distribution only applies to actual dividends or distributions that an entity has announced it will pay. It does not apply to estimated dividends or distributions. That being said, if an entity subsequently decides not to pay an estimated dividend or distribution, or the final dividend or distribution is materially different to the estimated dividend or distribution, an explanation of the reasons for the cancellation or difference may be appropriate or required under rule 3.1.

If the entity is issuing securities under a dividend or distribution plan in a class of securities that is already quoted, or that is intended to be quoted, on ASX, the entity will also need to lodge an Appendix 2A application for quotation (see rules 2.7 and 2.8 and the timetable in section 1 of Appendix 6A).

While this rule only applies to dividends or distributions on quoted securities, a decision to pay, or not to pay, a dividend or distribution on unquoted securities may need disclosure under rule 3.1 if it is information that a reasonable person would expect to have a material effect on the price or value of its securities.

Interest payments

3.22 An entity must:

- (a) notify ASX immediately if it makes a decision:
 - (i) to pay interest on a quoted *debt security or quoted *convertible debt security in respect of a period when, but for that decision, interest would not have been paid for that period;
 - (ii) not to pay interest on a quoted *debt security or quoted *convertible debt security in respect of a period when, but for that decision, interest would have been paid for that period; or
 - (iii) to cancel, defer or reduce an interest payment on a quoted *debt security or quoted *convertible debt security that it has previously announced it will pay; and
- (b) provide a completed Appendix 3A.2 to ASX not less than 4 *business days before the intended *record date to identify security holders entitled to an interest payment on a quoted *debt security or quoted *convertible debt security.

An announcement under rule 3.22(a)(iii) must include an explanation satisfactory to ASX of the entity's reasons for cancelling, deferring or reducing the interest payment.

Introduced 01/12/19 Amended 05/06/21

Note: The decision to pay interest on a quoted debt security or quoted convertible debt security is notified to ASX via an Appendix 3A.2.

If the interest payment is subsequently cancelled, the cancellation must be notified to ASX under rule 3.22(a)(iii) using the 'cancel' function in the Appendix 3A.2. The required explanation of the entity's reasons for cancelling the interest payment must be included in the 'Reason for cancellation' field in the Appendix 3A.2 or in a separate announcement to the market.

If the interest payment is subsequently deferred or the amount of the interest payment is subsequently reduced, that should be notified to ASX under rule 3.22(a)(iii) using the 'update' function in the Appendix 3A.2. The required explanation of the entity's reasons for deferring or reducing the interest payment must be included in the 'Reason for update' field in the Appendix 3A.2 or in a separate announcement to the market.

While this rule only applies to interest payments on quoted debt securities or quoted convertible debt securities, a decision by an entity to pay, or not to pay, interest on unquoted debt securities or unquoted convertible debt securities may need disclosure under rule 3.1 if it is information that a reasonable person would expect to have a material effect on the price or value of its securities.
